

Make it your first choice!

Concordia University's Faculty of Arts and Science allowed me to foster my passion for the medical sciences, both with its stimulating courses and diverse research experiences. The Faculty's progressive academic environment and smaller class sizes meant that I had more direct access to my professors. It allowed me to develop the skills that I would need to successfully get accepted to McGill's Medical School.

Ahsan Alam, M.D.

Internal Medicine Resident,
Royal Victoria Hospital

Centennial Regional High School, class of '91
Champlain College, class of '94
Concordia University, class of '97
BSc in Cell and Molecular Biology
